

The center will inaugurate its operational works tomorrow in the holy sites for this year's Hajj

The center will inaugurate its operations tomorrow (Tuesday) in Makkah Al-Mukarramah.

The General Supervisor of Hajj Works at the Center, Abdulaziz Al-Harbi, explained that the CEO of the Center, Dr. Ayman bin Salem Ghulam, will inaugurate the center's operational works in the Holy Sites and hold a press conference in which he will announce the expected weather conditions and the most prominent weather phenomena in this year's Hajj 1445 AH.
